It is understood that Photo Reflections is the exclusive photographer and others taking photographs are allowed if they don't jeopardize our ability to work efficiently, quickly and without interruption since we are working for you. No part of any order will be delivered until payment is made in full. Photo Reflections retains the right to use any of the images for competition print or display purposes (including our internet website) unless revoked in writing by the bride or groom. Photo Reflections takes the ultimate care with respect to exposure, processing and delivery of photographic images. However, in the event that Photo Reflections fails to comply with the terms of this agreement, our liability is limited to refund of the above minimum coverage amount only. Original images remain the property of Photo Reflections. The reservation fee is non-refundable. In the case of cancellation of a wedding, the reservation fee remains on file as a credit with Photo Reflections for 90 days (or 3 months) from the date of cancellation. This credit can be used toward any photographic services that we offer. This credit is non-transferable and void if not used within the 90 day period. Any work in progress is billed as photographic services against the reservation fee.
